## **Fury Technology Limited**

### **Quality Assurance Policy**

It is the policy of Fury Technology Limited that all products and services provided by the company and its operations shall be, designed, manufactured and serviced to meet or exceed our customer's requirements. The Quality Management System utilised to achieve this goal will conform to the requirements set out in EN.ISO.9001:2000 and EN 13980:2002.

This policy shall be implemented through the Quality Management System Manual.

It is the responsibility of all Fury Technology Employees to act in accordance with the policies as laid out in the Quality Management System.
